

MyLabSchool Student Resources for WebCT

WebCT is part of your school's information technology network. If this is your first WebCT course then you may need to check with your school's Help Desk to learn more about using the WebCT system on your campus.

Getting Started:

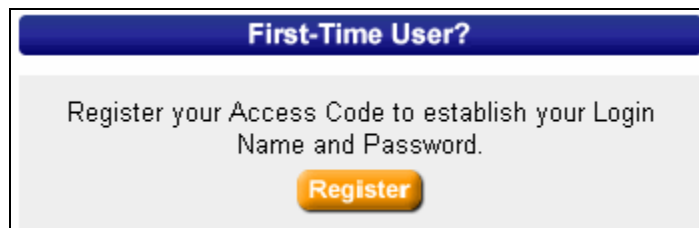

The course information you'll need for your MyLabSchool WebCT course may have already been sent to you by your school, or you can obtain it from your instructor or campus WebCT administrator.

What you'll need:

- The Internet address (URL) where your college hosts its WebCT courses.
- Your personal WebCT login name and password. Your WebCT account is generally set up for you by your school.
- Your WebCT login name and password to access your courses. Check with your instructor for more information on creating your WebCT login name and password.

Register for MyLabSchool Resources

1. Open your web browser and use the information above to go to your campus WebCT server.
2. From your WebCT Homepage click the course with MyLabSchool in its name or on the course name provided by your instructor.
3. Inside your MyLabSchool course click on the "Login to use the MyLab resources in this course" link to redeem your access code.
4. On the next page click the "Register" button to begin the registration process. You'll need the access code that came in your MyLabSchool Resources for Blackboard and WebCT student access code card.

The access code should look similar to this: LSPSBW-CHOLI-LUANG-PALHD-RIERI-CHATE*

**This is a sample code, and cannot be redeemed.*

Follow the step-by-step instructions to create your own unique login name and password.
